Dear Parents,

December 2023

**My Turn To Drive School** will be offering the PA Department of Education’s approved Driver’s Education program virtually this year for area high school students. Each session this school year will consist of 15 classroom sessions in defensive driving practices and techniques covering various types of driving environments and risk avoidance strategies. Additionally, guest speakers including area police officers, insurance agents and PENNDOT license examiners will present during classes. Students can enroll at the age of 15 and above, and your daughter/son does not need a learner’s permit in order to participate in the class.

**The Winter 2023 Zoom class for students will begin on Monday, January 23<sup>rd</sup> from 7pm until 8:30pm and will continue on weeknights until Friday, February 10<sup>th</sup> for a total of 15 sessions.**

**The Spring 2023 Zoom class for students will begin on Monday, May 8th from 7pm until 8:30pm and will continue on weeknights until Friday, May 26<sup>th</sup> for a total of 15 sessions.**

**My Turn to Drive School** is a five-star rated driving school specializing in teaching teenage novice drivers for over 17 years. All instructors are experienced, certified and licensed by the PA Department of Education to teach this Defensive Driving highway safety course. We also provide driving lessons and are certified to administer the driver’s license test when your teen is ready.

There are three major reasons for offering this defensive driving course. First, learning about the rules of the road and understanding defensive driving tactics and risk avoidance strategies are the most important aspects of this course. Second, if your teenager successfully completes our accredited driver training course you may save up to 15% on yearly insurance premiums up to 21 years of age. Third, students may be eligible to obtain a senior license at age 17 1/2, instead of age 18, if parental permission is obtained, and all requirements are met.

The fee for the classroom instruction is \$195.00. If you would like to enroll your child in one of the upcoming sessions, **please fill in, detach, and return the form below with a tuition check in the amount of \$195.00 payable to My Turn to Drive School.**

If you plan to allow your teenager to drive the family car or one of their own, this course offers the peace of mind that you have provided the best learning opportunity for driving defensively. Our chief concern is not the dollars saved on lower insurance rates, but rather the accidents and injuries that may be averted through proper training and learning good decision-making skills.
