

My Turn To Drive School
Ardmore, PA 19003

Dear Parents,

August 2026

My Turn To Drive School will be offering the PA Department of Education's approved Driver's Education program virtually this year for area high school students. Each session during the fall, winter and spring will consist of 15 classes in defensive driving practices and techniques covering various types of driving environments and risk avoidance strategies. Additionally, guest speakers including area police officers, insurance agents and PennDOT license examiners will present during classes. Students can enroll at the age of 15 and above, and your child does not need their learner's permit in order to participate in the class. Attendance is expected for all classes. We do understand that a conflict or two (maximum) may arise and we will work with students to provide missed class material in that event.

The FALL 2026 Zoom class for students will begin on Monday, October 26th from 7pm until 8:30pm and will continue on weeknights until Friday, November 13th for a total of 15 class sessions.

The WINTER 2027 Zoom class for students will begin on Monday, January 4th from 7pm until 8:30pm and will continue on weeknights until Friday, January 22nd for a total of 15 class sessions.

The SPRING 2027 Zoom class for students will begin on Monday, April 26th from 7pm until 8:30pm and will continue on weeknights until Friday, May 14th for a total of 15 class sessions.

My Turn to Drive School is a five-star rated driving school specializing in teaching teenage novice drivers for over 20 years. All instructors are experienced, certified and licensed by the PA Department of Education to teach this defensive driving safety course. We also provide driving lessons and are certified to administer the driver's license test by PennDOT when your teen is ready.

There are three major reasons for offering this defensive driving course. First, learning about the rules of the road and understanding defensive driving tactics and risk avoidance strategies are the most important aspects of this course. Second, if your teenager successfully completes our accredited driver training course you may save up to 15% on yearly insurance premiums up to 21 years of age. Third, students may be eligible to obtain a senior license at age 17 1/2, instead of age 18, if parental permission is obtained, and all requirements are met.

The fee for the classroom instruction is \$225.00. If you would like to enroll your child in one of the upcoming sessions, **please fill in, detach, and return the form below with a tuition check in the amount of \$225.00 payable to My Turn to Drive School.**
